A Note From the Executive Director

For over 35 years, YLC has fostered leadership and instilled pride in the Greater New Orleans region. YLC's Role Model Awards is a chance to honor those we look up to in the Greater New Orleans region. They are the leaders working to build a better city and the changemakers continuously giving to others in the community. We admire them for their passion and meaningful work around the city. That's why we take great pride in selecting each group of unique role models to be honored. This event is a chance to celebrate local leaders and icons that give young professionals and future generations something to emulate and model as they grow and develop. Your support of YLC's Role Model Awards is an investment in our collective future. ~ **Camille Sumner**

Honoring NOLA's Role Models

Annually since 1986, Young Leadership Council (YLC) has selected a class of outstanding New Orleanians who serve as Role Models by actively contributing to the betterment of the Greater New Orleans region. The Role Model Awards is YLC's primary fundraiser, supporting the organization's community service projects in the areas of arts and culture, beautification, youth enrichment and education, and economic development.
